Our Praise and Prayer Update:

Pray for those needing a touch from the Lord in these days: Dale & Wendy, University students on Christmas break (Jasper, Geoff, Skylar, Jordan, Brady, Aiden), those traveling for Christmas.

District: Please pray for Ivy Reimer (9 months old) daughter of Paul and Lindsey Reimer who are currently serving with Moose Jaw Alliance Church in preparation for becoming a military chaplain. This past week Ivy tested positive for COVID19 and developed sores on her body; currently the diagnosis is that the sores are due to scalded skin syndrome caused by a staph infection. Ivy was move from the hospital in Moose Jaw on Friday to the children's hospital in Saskatoon for treatment. Lindsey is with Ivy and Paul will join them after his mandatory isolation ends as he also tested positive for COVID. On Saturday Paul wrote, "Ivy is able to drink fluids today which is really good. They put in a new IV because they keep popping out from the swelling. They will be putting in a longer IV tomorrow. Ivy has been sleeping more comfortably due to her new pain medication which is a little stronger than morphine. Lindsay was also able to sleep for a total of seven hours today. So overall it's been good today." Doctors expect Ivy to be in the hospital for at least a week, possibly a month to recover. Please pray for healing, comfort and a quick recovery for Ivy, for strength, endurance and peace for Lindsay and Paul as they care for Ivy, and wisdom and guidance for the medical staff.
