WHAT'S HAPPENING AT HUMBOLDT ALLIANCE CHURCH. . .

Summer time is a good time to connect with friends and reach out to those in our congregation we are not so familiar with.

As our church expands, we encourage you to connect with someone you do not know well!

PRAYER

Please be in prayer of Jordan Hergott as she recovers from her c-section and for baby Lyla who has been having troubles with jaundice. Pray for healing and wisdom for medical staff.

Pray for those struggling with this long last cold and attendant infections to know God's strength, rest and healing.

District Request: Pray for District Workers and Lay delegates as many head to Edmonton for our Canadian General Assembly July 5th-8th, 2022. For significant encounters with Jesus for all who participate, wisdom for the various aspects of business and electing a new President. For traveling mercies for all. Clean technical connections for those engaging online and for the electronic voting. Pastor Greg and Terry Rohrke will be representing the Humboldt Alliance Church.

Global Request: Niger - Keith and Melanie Haensel request prayer for Niger, especially for Kongou villages as the rains begin and the villages begin planting. Pray that the skills taught will be put into practice and that there will be a great harvest. Pray that the rains will be perfect (not too much, not too little) for this planting and harvest season. Pray that as they plant, they will be reminded of the Bible stories they have heard, and a seed of desire will be planted to know more about Jesus.
