Arviat Transition Support Project

For the remainder of March, we are taking a special collection to help Arviat Alliance Church in this season of Transition. District funding had been cut as of December 31st, which basically covered Pastor Brad's salary. Brad & Jackie and family will move 'South' in the summer as that fits with the usual season of transitions in the North, ie the ice is off Hudson's Bay and the barge can come & go. They continue to lead the church to develop local leaders. Brad is able to work in the community doing some substitute teaching. They are looking to discover and obey God's timing for what is needed. Pray for those working on the licensing forms, for wisdom and understanding since they are in English and most people better function in Inuktitut.

Pray our current and future leaders rise to the challenge here."
